“Homi Bhabha Visiting Professorship” at NIAS

The Department of Atomic Energy (DAE) and the National Institute of Advanced Studies (NIAS) have created the “Homi Bhabha Visiting Professorship” at NIAS.

The occupant of this position should be an eminent scientist of a proven record and expected to provide leadership in development and organization of Science and Technology in India, particularly Energy, including its sociological and environmental implications.

The duration can be a maximum of 3 years and minimum of 6 months. During the tenure, he is expected to deliver courses, lectures, publish papers, books, monographs etc on subjects of his/her expertise.

Interested persons may forward their application stating their name, qualifications, age, a brief statement on achievement (500 words), list of important publications and a brief plan (500 words) of work to be carried out at NIAS.

An appropriate Honorarium will be provided.

Applications may be sent before February 28, 2019 electronically to director@nias.res.in.
