

Recruitment for Project Personnel National Institute of Advanced Studies, IISc Campus, Bangalore

The National Institute of Advanced Studies (NIAS), a visionary initiative of J R D Tata, has a mandate to create leaders of substance and credibility in a variety of domains in India, and to carry out in-depth, policy relevant research from a multi-disciplinary perspective, drawing on a wide spectrum of disciplines in the humanities, social sciences, and natural sciences. NIAS provides a congenial atmosphere and institutional support for faculty and scholars to pursue their research and career goals, and expects them to produce significant outcomes in line with the institution's mandate. Please visit our website (www.nias.res.in) for a comprehensive perspective.

The Animal Behavior and Cognition Programme invites applications from eligible candidates for the following posts in a project (supported by DST-SERB) on the topic “Human-Primate Conflict” under Prof. Sindhu Radhakrishna, School of Natural Sciences & Engineering, National Institute of Advanced Studies, Indian Institute of Science Campus, Bangalore - 560012.
